11th March 2024

Hello Year 6,

My name is Mx ("mux") Russell and I am going to be the head of year 7 when you join us here at CEC in September 2024. For some of you, you will be moving from our Primary phase and for others from a different school all together. Wherever you are from, I am excited to welcome you to the Secondary phase of Cranbrook Education Campus.

I hope you are as thrilled as I am for you to be joining us on what is a new chapter of your school life. Your first year at CEC will be an exciting time, filled with new experiences and opportunities. You will make new friends - some of whom will remain with you for life - and follow a rich curriculum which will prepare you for the next step and the world of work. You will undoubtedly face some challenges too as you start to become more independent and take on more responsibility for organising yourself, your studies and belongings. My job as your head of year is to make sure you feel safe and always supported, which will allow you to thrive both socially and academically.

Every member of staff and every student here at CEC lives and breathes our values which are the PERKS of being #Crantastic (Proud, Engaged, Ready, Kind and Safe). From day one, we have high expectations of personal standards, levels of effort and attitude to learning. These high expectations will give you the foundation for success for your time at Cranbrook Education Campus.

Underpinning everything we do here at CEC are the relationships that are built along your school journey. Being KIND to one another is so important and these relationships are what make CEC such a special place to study and will enable you to progress socially, emotionally and academically throughout your time here.

Welcome to the CEC community and I look forward to seeing you soon,

Mx Russell (they/them)
Head of Year 7 and Transition Lead
